MEMORANDUM FOR: Director of Security

SUBJECT: Contract Services

1. The Deputy Director (Support) has asked me to consider the feasibility of utilizing contract services in OTR in order to effect a reduction in our T/O.

3. Obviously, many problems would be involved should these services be performed under contract, although the most important one is security. Therefore, I would appreciate an expression of your views as to whether we should consider this type of solution to our personnel problem. If you approve in principal, we will develop a specific plan for your concurrence.
